

WELCOME

West Virginia Wesleyan dining services is managed by Aladdin an Elior Company, where we offer a program that meets the needs of today's busy college student. All of our food is prepared freshly in house, and sourced from reputable, sustainable suppliers. We offer three dining outlets for your convenience. We can't wait for you to come and dine with us!

STUDENT INVOLVEMENT

The student life senate committee assists the dining management team in task planning and evaluating services. We also have a comment card system in the dining center that Chef Patrick will personally respond to via your preferred method of contact. If you have ideas for YOUR dining program, please voice them. Chef Patrick also plans "Dine with the Director Days" that offer students a personal opportunity to connect with the leadership team. We want to hear from you!

SPECIAL DIETARY NEEDS

Students with special needs should consult with Chef Patrick, the Food Service Director. All efforts will be made to accommodate your specific diet.

If a school related function prevents you from attending a meal(s) please contact Chef Patrick for a Fresh and Good to go meal in exchange for a meal swipe. Aladdin does not offer to go boxes in the Main Dining Center.
